INTRODUCTION

Micro teaching is a teacher training and faculty development technique where by the teacher reviews a recording of a teaching session in order to get constructive feedback from peers or students about what was worked and what improvements can be made to their teaching technique. The teaching of a small unit of content to the small group of students [6-10 members] in a small amount of time [5-7min] means Micro teaching.

Here I choosed 5 major skills of microteaching. They are, Skills of using black board, Skill of introducing a lesson, Skill of explaining, Skill of illustrating with examples, Skill of questioning.

MICRO LESSON-I - SKILL OF INTRODUCING A LESSON [TEACH]

Name of Student trainee : Evin Rose Joy P Class : X

Name of the school : MTC, Mullorkara Date : 25-01-2021

Name of the skill : Skill of introducing a lesson Duration : 5 minutes.

Subject : (Biology) ജീവശാസ്ത്രം Strength : 7

Unit : അല്ലെങ്കിൽ ശ്വാസനാഡി

Topic : മനുഷ്യ ശ്വാസനാഡി

Teach or Reteach : Teach

Components of the skill

1. Use of previous knowledge / Pre-requisites
2. Use of appropriate devices.

Objective : The student teacher masters the skill of introducing a lesson.

INTRODUCTION

Education has given a chance to understand and to be part of the formation of a child in the School. It is called 'Initiatory School experience'. Initiatory School experience in our B.Ed Curriculum will provide us with basic awareness of the educational environment. The purpose of initiatory, is to provide student teachers an opportunity to have the primary experience with the functioning of the School. For this purpose we 4 student teachers from Mahajubilee Training College have Selected NSS HSS Mullurkara. The initiatory was Scheduled from 27th September 2021 to 30th September 2021.

NSS HSS Mullurkara is one of the oldest School in the rural area. It Comes under the aided govern ment authority. It was established in 1982, it Situated near Gips Mullurkara of Wadakkanchery, Thrissur. The School mainly Conducted three educational levels as up, H.S and the H.S.S levels.

OBJECTIVES

- 1.) To provide an opportunity for the teacher students to have primary experiences with the functioning of the School.
- 2.) Provide the opportunity to acquaint yourself with the School environment and day-to-day functions.
- 3.) To make teacher trainees gain effectiveness in their working area.
- 4.) To make professional development in teaching career of teacher trainees.
- 5.) To increase the retention of student teachers.
- 6.) To make professional and positive working environment in the School System.
- 7.) To develop meaningful learning sequences appropriate to the specificity of different learning levels.

DISCUSSION LESSON PLAN - 1

Name of the prospective teacher: Christina Ganesan

Standard: V

Name of the School: MTRC, Mullerikaveri

Division: 20

Unit: Introduction to Algebra

Period: 2

Lesson: Introduction to Algebra

Expected time: 45 min

Date: 07/06/2021

Learning Objectives

- Identify the terms in an algebraic expression.
- Identify like and unlike terms in an algebraic expression.
- Add and subtract like terms in an algebraic expression.
- Identify the coefficient of a variable in an algebraic expression.

Content analysis
Terms

Algebraic expression, like terms, unlike terms, addition, subtraction, coefficient, variable, constant.
