

MAHAJUBILEE TRAINING COLLEGE MULLOORKKARA, THRISSUR

REPORT ON ENTRY LEVEL PERFORMANCE OF STUDENTS

Mahajubilee Training College is keen in ensuring that the college is fully available in guaranteeing the successful completion of the BEd course. College has developed a well-defined five-point observation schedule potent enough to map the teaching skills, social skills, General awareness, Language proficiency and Basic ICT knowledge of the student teachers. This entry level assessment process is initiated religiously two weeks after the start of the particular academic session every year. It is usually to ensure that the basic skills required by the teaching job is present in them and also as a first step to induct them into the prevailing system. Based on the results the data is analysed and appropriate teaching learning strategies are adopted in learner centred way.
