

**MAHAJUBILEE TRAINING COLLEGE MULLURKKARA THRISSUR**  
**REPORT OF ACTIVITIES BASED ON RECENT DEVELOPMENT IN**  
**EDUCATION**

Our institution focused to develop the knowledge in the area of recent development in the education scenario. For that purpose, we organise different types of programmes in every academic year. The programme outcomes are;

- Recognize the diversity of Indian society and role of education in respecting them.
- Develop the capacity to accept the progressive changes in education
- Transform the prospective teachers to competent leaders with organizational, administrative and managerial skills and aptitude.
- Provide opportunities and experiential learning to impart the ethics and values in personal and professional life.
- Competent to amalgamate various methods, strategies and approaches in teaching learning environment.
- Motivating for lifelong learning and continuing education for professional development.

The programmes are;

- Discussion and Debate session
- Different types of Workshops
- Special lectures from experts
- Field visit
- Community development programmes
- ICT enabled programmes
