Report of the Activates for organizing preparatory to school based practice teaching and internship programs

Mahajubilee training college organizing teaching skill exercises, lesson plan discussion, work shop based on preparing teaching aids, five-day Initiatory School Experiences and peer criticism session for pre practice teaching and 84 four days' internship programme in every year.

In the pre practice teaching session included several actives like micro teaching, lesson plan discussion, demonstration classes, video classes, and teaching performance as shared practice. The objective of this session is to provide the student-teacher an opportunity to have primary experiences with the functioning of the school. And to develop conceptual understandings about teaching and learning in school environment

In the preparatory session of the internship programme included activities like formulating learning objectives, content mapping, lesson planning, identifying varies student abilities, assessment programme, evolving ICT based learning situations etc. Student Teaching Internships provides students the opportunity to practice what has been learned on the university campus and, more importantly, it is an opportunity to continue academic and professional growth.
