

## MAHAJUBILEE TRAINING COLLEGE MULLOORKKARA

### REPORT OF ACTIVITIES TO DEVELOP COMPETENCY STUDENT TEACHER

Mahajubilee Training college provides opportunities to student teachers to develop effective communication skills, teaching skills and peer feedback through various workshops and training sessions initiated every year. ICT and art and drama workshops are arranged every year to keep the students updated about the latest methodologies in education and ICT fields. Origami and puppetry workshops, teaching aids development workshops are also conducted at regular intervals. The microteaching cycle is effectively followed in the first semester and student master the various skills by teaching and reteaching and sharpens them, the cycle is recorded in video for self-assessment and measure the improvements. Criticism classes provides opportunity to each student teacher to get analysed in the best possible way both by the teacher and the peer. Feedback system functions effectively in the college and they are progressively used to develop the inborn talents and skills of the student teachers.
