

**MAHAJUBILEE TRAINING COLLEGE MULLOORKKARA, THRISSUR**  
**REPORT ON DEVELOPING COMPETENCIES FOR ORGANISING EVENTS**

Our college provides all the opportunities for student teachers to develop the leadership and other skills required for professional and personal life. The various events of the college are delegated among the student teachers and clubs and the programmes are organised and implemented by them under the supervision of faculty member. Various important days of national and international significance is observed and celebrated in the campus, the students organises the activity right from scheduling of programmes to the overall conduct of the same. Various committees are formed for the delegation of the works. Advertising the events, digital poster making etc. are performed by the students on a rotational basis. Days like sports day are organised as per the rules and regulations at par with the standard protocols. College makes sure that all the student teachers are well aware of different duties and procedures to be followed during the conduct of each event by assigning works on a rotational basis to each of them.

The programmes are

- Arts and sports day organizing
- Community living camp
- Organizing cultural programmes
- Visit educational importance places
