

### *Incremental improvements achieved within the institution due to quality initiatives since the previous accreditation*

*Mahajubilee Training College since its first accreditation by NAAC has been showcasing incremental changes in both academic and infrastructural aspects by imbibing and strictly adhering to the quality requirements and criterion as enshrined in the NAAC schedules. There has been remarkable changes in the infrastructure with passing years which is in congruence with the contemporary developments and needs and requirements of the educational sector. More equipped ICT rooms and projector systems and better online services continued to be added up each year. The aspirations and needs of the students were always considered and constructive changes were implemented. The Library system got revamped with addition of more books and periodicals. Integration of modern technology was done in all possible ways ranging from the provision of internet facilities to interactive board system. The college has always tried its best to keep abreast with the latest developments in the education sector and has adopted various innovative strategies to adapt and acclimatise in a better way to the changed curricula and educational system. The academics got a paradigm shift from teacher centred to student centred activities and the outcome based lesson plan and instruction approach was adopted. The innovative strategies like the brain storming, seminars, projects etc were incorporated replacing the chalk and talk method to foster the constructivist approach. More research oriented activities were incorporated into the institutional mechanism to cater to the needs of the contemporary world. The administrative system completely adopted the digitalisation and a good and effective Learning Management System was incorporated in the academic session. A more democratic and decentralised strategies are adopted by the institution for ensuring the smooth and effective functioning of the whole system. Following the initial accreditation and analysing the vacuums present the involvement and initiatives of the IQAC and other clubs were more strengthened and more programmes were introduced to improve the overall quality of the*

college. The financial system of the college has dedicated a major chunk of the funds for the developmental activities of the institution. More stringent selection procedures has been adopted in the selection of the teaching and non teaching staff to ensure that the quality of the college is never compromised at any instance.
